

HBC LADIES' NEWS

Welcome | Next Month | What is coming up?

Welcome

Welcome to the first edition of the HBC Ladies News. With the recent restriction in gathering together, I am sure you all realise the Ladies Group will not be meeting until further notice.

So, to keep in touch, there will be a monthly newsletter containing news from our local correspondents, thought of the month, cake recipes from our guest bakers, competitions, etc.

If you have any ideas for future editions, please contact the Editor - contact details on page 2.

Seeds of Hope

As a keen gardener, Spring always brings me hope for the coming months - fresh green leaves, the promise of home-grown vegetables and waking to the dawn chorus.

During this time of uncertainty, what encourages you?

Let the Editor know so that we can share these seeds of hope in the next edition.

A time will come when we will gather together in the sunshine in some-one's garden and enjoy each other's company and delicious cake.
