Welcome

Welcome to the fourth edition of the **HBC Ladies' News**.

Next Month

Due to the current situation, we are not able to meet together for the Garden Party.

Nevertheless, it has been suggested we could gather in smaller groups. So, next month on the afternoon of Saturday 11th July, there will be several small gatherings around Harston, Trumpington and Little Shelford.

More information will be emailed out on Saturday, 27th June.

Last Month's Puzzle

Thank you to Carol, Rosemary and Rose for entering the competition but congratulations to Barbara again for finding 51 words of three letters or more from the word **Lockdown**. It only goes to show, playing Scrabble has its advantages.

A small prize is on its way to Barbara.

A Song of Encouragement

It's only when I look back and trace the way
My crooked path has wandered
I see the footprints in the sand
And I realise You were there beside me
Every single day

You carried me through all of my trials
You carried me when I was troubled and alone
When my strength has gone, couldn't get along without You
You carried me so I wouldn't stumble
You carried me just when I needed someone there
Who would be a friend and I reached the end
Because He carried me

And now as I turn to face the narrow way
With shadows growing longer
I know my Saviour's by my side
Always there for me and He'll care for me
When the enemy draws near

You carried me through all of my trials
You carried me when I was troubled and alone
When my strength has gone, couldn't get along without you
You carried me so I wouldn't stumble
You carried me just when I needed someone there
Who would be friend and I reached the end
Because He carried me

This has been a great encouragement to me.

Things I have made

Sue G writes - *I made these finger puppets for a little girl who was three in May. She is in my Sunday School class and has a vivid imagination. I first made them for my*

nephew who is now 29 years old. They were fun to make.

Julie made a journey - *Happy memories of an amazing walk to the summit of Skiddaw in the Lake District National Park. The 6th highest peak in England at 3,054 feet. The conditions at the summit were extremely windy but just enough time for a quick photo shoot before our descent!*

What an incredible world God has given us!

Suzanne made a mistake which had an unexpected result - *I was dead heading the roses and accidentally cut a beautiful one off. I brought it in and we enjoyed it more. So next, I went out and picked some pinks and made a little bunch for the table with some greenery. I really don't know why I have never thought to pick something from the garden to enjoy indoors before, but that rose changed everything.*

Sarah has been busy making a birthday card.

Sue H made some Quick Kichlach biscuits

2 eggs beaten
 1/4 pint sunflower oil
 2 teasp. vanilla essence
 1 teasp. grated lemon rind
 5oz. castor sugar
 8oz. SR flour
 Pinch of salt

2 teasp. oil

1oz. castor sugar

Decoration - Cherries, walnuts, chocolate drops or flaked almonds

Oven temperature Gas mark 6 or Electric 200 degrees C.

Makes 36

1. Stir eggs, oil, vanilla essence and rind together. Blend in the sugar
2. Stir in the flour and salt and mix to a soft dough.
3. Drop a teasp. of mixture onto a greased baking tray, 2 inches apart
4. Dip the base of a tumbler in some oil then into sugar and flatten each biscuit.
5. Sprinkle with the decoration and bake for 8 - 10 minutes

Freeze - 3 months

Kordula tackled a new skill - *The things that I have made over the last few weeks which took me right out of my comfort zone were some video clips. One of them was on the theme of spiders where I sang the nursery rhyme 'Incy Wincy Spider' and showed the children some spider webs in our garden. These clips have then been posted on the school's home learning page in order to support the children in their home learning. Even though the clips were very short, lots of preparation went into the recording like, 'What do I say?', 'What do I wear?', 'What is the background to the clip?', 'How best do I present my theme to the children?', etc. I'm sure all the teachers can sympathise with me!*

And after all the time and effort that went into producing the clip, the biggest challenge was yet to come: 'How do you get the clip from the phone onto the web site??' (After many hours of struggling and trying many avenues the route via YouTube seemed the simplest one, in case you want to try it out yourself!) It's great that there were so many helpful people around at school and at home who offered patiently their advice.

Some-one else has been busy - A Romanian Shoemaker makes size 75 shoes for social distancing. He has received five orders for the £92 shoes which take him two days to make.
